

Module 3. Practical tips on the correct layout of the article when self-publishing		
The uniqueness of the article as the main indicator of relevance and originality of the findings	2	
The correctness of the abstract layout for a successful article search by researchers	1	
Academic translation of the article. Its importance for publication process	2	
Layout of the list of references. Nuances and recommendations	2	
Webinar: How to create an article that will successfully pass peer review in Scopus? Practical tips from the editor of a scientific journal	3	
Self-directed learning		20
Module 4. Opportunities for international cooperation for the researcher's professional development		
Formation of a researcher's image as a component of a professional growth. WoS, Scopus, ORCID profile	2	
Prospects of international cooperation in the wake of restrictions caused by pandemic	3	
Practical work on familiarisation with current international exchange programmes		10
Final webinar on the completed internship programme	1	
Webinar: Scientometric indicators of researchers' activity and ways to improve them. International platforms for the popularisation of the author's activities	3	
Closing word. Summary of the results and filling out the form for obtaining an internship certificate	1	10
	60	120

CERTIFICATE SUPPLEMENT

Nº AI 1066

is presented to
Androshchuk Liudmyla

for the successful completion of the international internship programme
for qualification improvement on the subject

**"FEATURES OF SCIENTOMETRICS IN THE SOCIAL
AND HUMANITARIAN SPHERE AND ART HISTORY"**

Scientific area of the course:
Choreographic Education

under the aegis of Baltic International Academy

VLADISLAV VOLKOV

Vice Rector on science at
Baltic International Academy

ANNA DZHYM

Director of Scientific Journals Ltd.

MAKSYM PYLYPENKO

Director of Scientific Publications Ltd.

YELYZAVETA BATAIEVA

Head of the Scientific and Educational
Centre at Scientific Publications

**Programme
of professional development course**

Course topic	FEATURES OF SCIENTOMETRICS IN THE SOCIAL AND HUMANITARIAN SPHERE AND ART HISTORY
Scientific area of the course	Choreographic Education
Course duration	180 hours
ECTS	6
Total load	60 hours of online learning, 120 hours of self-education
Course competition document	CERTIFICATE
International internship period	28.02.2022–08.04.2022
Partner university	Baltic International Academy

The purpose of the programme is to familiarise the participants in detail with the procedure for publishing articles in journals indexed in the international databases Scopus/Web of Science, as well as the possibility of improving professional competencies, international cooperation and personal rating of a researcher through international publications.

General and professional competence
Increasing the awareness concerning scientific publications in international journals
Learning skills to work with the Scopus database
Learning skills to work with the Web of Science database
Improving skills to search for publications and author profiles in international databases
Learning skills to work with citations in international databases
Improving skills of unassisted selection of international journals for publication
The ability to distinguish a high-quality scientific journal from a predatory one
Getting an understanding of all stages of the publication process in rating publications
Obtaining knowledge on the layout of scientific articles per international requirements
Learning skills to track excluded journals from the Scopus database
Gaining knowledge about the formation of a researcher's personal image
Learning networking skills
Obtaining knowledge on international programmes for the researcher's advanced training
Improving public speaking and presentation skills
Improving analytical skills
Improving communication competencies
Improving creativity skills

Curriculum

Course name	Audit	Non-Audit
Module 1. The importance of international publications in the researcher's work		
Introductory webinar and familiarisation of participants with the internship programme	3	
Publications in international databases as key to researcher's career growth and professional development	2	
Types of international databases and their fundamental differences	1	
Requirements for obtaining academic titles and degrees in Ukraine	1	
Scopus database. Guidelines for a researcher	2	
Webinar: Scopus scientometric database. The main scientometric indicators and fundamentals of functioning	3	
Self-directed learning		20
How can a researcher find their publications in the Scopus database	1	
Web of Science database. Key indicators	2	
The Hirsch index as an indicator of the researcher's success	2	
Webinar: Web of Science scientometric database. The main scientometric indicators and fundamentals of functioning	3	
Self-directed learning		20
Module 2. The main difficulties in the publication process and solutions for them		
The main problems with unassisted publishing	2	
Requirements for articles published in international journals	1	
How to structure a scientific article correctly	1	
How to choose the appropriate scientific journal for publication	2	
Webinar: Stages of the publication process. How to quickly publish an article in a highly rated journal?	3	
Self-directed learning		20
Predatory journals and how to recognise them	2	
Exclusion of journals from the Scopus database, monitoring systems, and how to protect yourself from publishing in low-quality journals	2	
The main reasons for delays in the publication process	2	
Peer review in journals as one of the most difficult publication stages	2	
Webinar: Predatory journals. Why Beall's List will not help you and how not to end up in it	3	
Self-directed learning		20
